Application forms are being sent to all homes with a letter to parents or guardians. To apply for free or reduced-price meals, households should fill out the application and return it to the school. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used for the purpose of determining eligibility and may be verified at any time during the school year by school or other program officials. Households may submit an application at any time during the year.

For SFA officials to determine eligibility, households receiving *Supplemental Nutrition Assistance Program (SNAP)*, *Temporary Assistance to Needy Families (TANF)*, or *Food Distribution Program on Indian Reservations (FDPIR)* benefits must list the children's names, a SNAP, TANF, or FDPIR case number; and the signature of an adult household member. All children in households with any household member receiving benefits under assistance programs are eligible for free meals. Children in Other Source Categorically Eligible (i.e., children categorized as homeless, migrant, runaway, Head Start, Even Start, and foster children, if known) are also eligible for free meals.

DIRECT CERTIFICATION: When known to the school, households will be notified of their children's eligibility for free meals if they are members of households receiving assistance from SNAP, TANF, or FDPIR. No application is required for free meal benefits for notified households. Households can decline benefits by contacting the SFA.

IF YOU DO NOT LIST A SNAP, TANF, OR FDPIR CASE NUMBER, then the application must have the children's names, total household members, the amount of income each member received last month, the signature of an adult household member, and the last four digits of the adult's social security number or the mark the box if he or she does not have one. Foster children also categorically qualify for free meals/milk, regardless of the child's income. If you have foster children living with you and wish to apply for such meals or milk for them, complete the application as instructed. Under the provisions of the policy, the determining official at the school will review applications and determine eligibility. Parents or guardians wishing to make a formal appeal may make a request either orally or in writing to: Philip Abode, (918) 986-7499 for a hearing to appeal the decision. The school's policy statement contains an outline of the hearing procedure.

Each school has a copy of the policy which may be reviewed by any interested party.
